KPIS & ANALYTICS

BRAND IDENTITY STRATEGY

Visual Identity:

- Colors: Deep Blue & Purple (Symbolizing trust, technology, and professionalism).
- Logo: The Octopus icon (Representing versatility, intelligence, and the ability to navigate complex systems like ATS).

Tone of Voice:

- Semi-Professional: Providing expert career advice.
- Supportive: Empowering job seekers to overcome challenges.
- Tech-Savvy: Communicating our deep knowledge of AI recruitment and ATS.

Launching & Community Impact

Execution:

- Official Launch: Successfully introduced OctuScale on Facebook with a professional "Awareness" campaign.
- Problem-Solving: Focused on the "ATS Gap" and "Remote Work" challenges to attract the right audience.

Community Management:

- Live Interaction: Managed comments and direct messages with our defined brand voice.
- Case Study: Responded to local job seekers (e.g., challenges in remote areas) to show that OctuScale is a real solution for everyone.
